Oaks

The Oaks team have been supporting the children with their self-care, preparing them for their transition to school, by encouraging the children to change for P.E sessions, which they have been doing at key group time, once a week with their key person. Please ensure that your child has spare clothing in their bags to enable us to support your child with changing.

We would like to give a warm welcome to Scarlett who has joined the team and will be undertaking the pre-apprenticeship programme, during that time, Scarlett will have the opportunity to work alongside the staff in all three of our rooms and she is looking forward to getting to know all the children. Stephanie will be joining the Oaks team Monday 3rd February, she has had 13 years of experience within the Early years sector and is a qualified level 3 educator, she is enthusiastic about supporting children in their learning and joining the Tree Tots family.
